Jersey City N.J. Dear Sir: I am authorized by the Township Committee of Washington Twp. to again call your attention to the need of gates or flagmen at the railroad crossings at German Valley N.J. Some of the authorities of the road have been notified at different times in the past of the need of having some protection at these crossings but as yet nothing has been done and since the serious accident that happened a short time ago at one of these crossings the Committee feel that some action should be taken in the matter. The committee will meet on Saturday Aug 26<sup>th</sup> 1911 and hope to receive a reply by that time or have some representative of the Co meet them at that time.

Very truly yours  
F. J. Wiley Township Clerk.
