MOTOR VEHICLE ADVISORY

NEW JERSEY LIMOUSINE COMPANIES AND
RENTAL CAR CHAUFFEUR SERVICE COMPANIES

Please be advised that legal requirements affecting the limousine and rental car chauffeur service industry in New Jersey have changed. Law changes found primarily in N.J.S.A. 48:16-22-3.a were enacted on January 18, 2010 and become effective on April 19, 2010. Limousine and Rental Car Chauffeur Service companies who are not compliant with law changes as of the effective date may be issued summonses. This advisory will provide you with information necessary to ensure compliance with certification requirements.

The Motor Vehicle Commission (MVC) is responsible for implementing changes to the driver background check and certification process. MVC will continue to certify drivers based on a live scan of fingerprints for the processing of a criminal background check. Generally, employers, including owner/operators, will submit an application to MVC for uncertified drivers pending employment as well as those already employed. Key changes are as follows:

- The updated law has eliminated the federal level (Federal Bureau of Investigation) check but will retain a state level check coordinated by the State vendor and the State Bureau of Identification. This will reduce the cost of a new background check to $50.70.

- The updated law establishes a $500 fine on the employer or owner/operator if the driver is not certified by MVC. Employers and owner/operators should therefore ensure each driver operating company vehicles has completed a criminal background check and has been certified by MVC. This does not include drivers exempted from certification requirements who were continuously employed as a limousine driver prior to January 18, 2002.

(continued)
• Drivers holding an active Commercial Drivers License (A, B or C Class) with passenger endorsement (P) can now be certified as a chauffeur without an additional background check. A limousine driver is also referred to as a chauffeur. Drivers meeting requirements for CDL with P endorsement have already completed and satisfied the state level background check required for limousine driver. Employers and owner/operators should submit a Limousine Driver or Rental Car Chauffeur Employer Certification Application to the MVC for any new driver applicant or current driver holding a CDL with P endorsement. In addition, CDL holders must comply with the federal medical requirements under 49 CFR 391.41.

• As required by law, no one will be permitted to drive a limousine unless they are 21 years of age or older and not until the limousine or rental car chauffeur company has received written certification from the Chief Administrator of the MVC that the applicant is qualified for employment. To be qualified for employment as a limousine driver or rental car chauffeur, a person cannot be convicted of any crime as follows: aggravated assault, arson, burglary, escape, extortion, homicide, kidnapping, robbery, aggravated sexual assault, sexual assault or endangering the welfare of a child pursuant to N.J.S.2C:24-4, whether or not armed with or having in his possession any weapon enumerated in subsection r. of N.J.S.2C:39-1, a crime pursuant to the provisions of N.J.S.2C:39-3, N.J.S.2C:39-4 or N.J.S.2C:39-9, or other than a disorderly persons or petty disorderly persons offense for the unlawful use, possession or sale of a controlled dangerous substance as defined in N.J.S.2C:35-2.

INSTRUCTIONS FOR EMPLOYERS:

• This notice includes all forms necessary to qualify drivers. The forms are also located on MVC’s website at www.njmv.gov Employers receiving this notice should begin the qualification process for employees without delay.

• Employers should first identify all drivers who have a current certification letter from MVC. MVC maintains a permanent record for these drivers and can identify them as qualified under the law. Drivers should carry the certification letter when operating company vehicles. A notation will be placed on their driving record to indicate they have been qualified and will be available to law enforcement (lookup screens). If an employer or driver is unable to locate the certification letter issued by MVC please call the MVC CDL Unit at 609-292-7500 ext 5077 Mon – Fri between 8:30 – 4:15 and request a duplicate certification letter.

• Employers should identify drivers who have not been certified. This includes:
  o Drivers employed prior to January 18, 2002 can be exempt from background check requirements. These drivers may need documentation for law enforcement. Therefore, MVC is providing a form allowing the employer to certify employee’s date of employment and that the driver is exempt from background checks under the revised law. The form should be carried by the driver when operating a company vehicle until a certification letter is received from the MVC. A notation will not be placed on the driver’s record unless a Limousine Driver or Rental Car Chauffeur Employer Certification Application is submitted to MVC.

(continued)
Drivers holding an active CDL with P endorsement do not need another background check. However, employers should complete and submit to MVC the Limousine Driver or Rental Car Chauffeur Employer Certification Application Form that is attached. The form includes a check off box indicating the driver holds a CDL with P endorsement. MVC will verify driver status and mail the employer a certification letter. A notation will be also placed on the driving record to indicate the driver is qualified.

Drivers who operate company vehicles but do not need a CDL with P endorsement need to complete a background check. Employers should complete and submit to MVC the Limousine Driver or Rental Car Chauffeur Employer Certification Application. Drivers also need to complete form NJAPS2, Version 4.0 fingerprint application form and contact IdentoGo, the state fingerprint vendor to arrange for fingerprinting at 877-503-5981. Drivers can also schedule fingerprinting on the internet at www.bioapplicant.com/nj. The vendor requires payment of the $50.70 fee prior to fingerprinting. Drivers must use the application form IDG_NJAPP_110113 attached to this notice or now available on MVC’s website. Use of the older form will result in a federal level background check and higher fee. The MVC will verify the background check results and mail the employer a qualification or disqualification letter. MVC will also place a notation on the driving record to indicate qualification.

OTHER IMPORTANT INFORMATION FOR EMPLOYERS

- Drivers who are employed by more than one employer need only one background check. In addition, after providing a qualification letter, the Motor Vehicle Commission will continue to notify employer(s) of any disqualifying state level convictions if MVC has the employers' current address.

- Applications must be submitted by mail or fax to the address or fax number listed on the application form. The deadline for compliance with the law is April 19, 2010. Due to anticipated volume, MVC may not be able to fully process and mail qualification letters for applications received after April 12, 2010.

- Instructions for completing the fingerprint application are listed on the back of the application. Once the fingerprints have been submitted, the MVC will receive the results and a notice of qualification will be mailed to the employer. The entire process takes approximately two weeks. The certification letter will only be sent to the employer, not the driver.

- Out of state drivers need to complete the process to be qualified as chauffeurs.

- The MVC does not charge a fee for administering this program.

  - The MVC understands the importance of professional drivers and the support they provide to transportation in New Jersey. We have attempted to make it easy for all employers and drivers to meet requirements of the law. Should you have any questions please contact the MVC Commercial Drivers License Unit at 609-292-7500, extension 5077 Mon – Fri between 8:30 – 4:15. This information, including the documents, applications and Frequently Asked Questions are available on our website at www.njmv.gov.

NOTICE TO NEW JERSEY LIMOUSINE COMPANIES AND OWNER OPERATORS

Be advised that requirements affecting the limousine industry, companies, owners and drivers in New Jersey have changed.

Recently, a law was enacted transferring responsibility for coordination of criminal background checks for limousine drivers from the New Jersey Department of Transportation (DOT) to the New Jersey Motor Vehicle Commission (MVC). The New Jersey State Legislature and the Governor of New Jersey originally made these requirements part of state law on January 8, 2002. Therefore, limousine drivers employed on or after that date are subject to the background check provisions.

Under the revised law, the MVC will coordinate a program that informs limousine companies if a driver is qualified or disqualified from operating a limousine in New Jersey. This will be based on a criminal history review that may identify disqualifying convictions noted in the law. The employer is responsible for informing the MVC of employees requiring a background check, and the applicant (employee) will be responsible for submitting his/her fingerprints. The law covers large and small companies as well as owner operators in New Jersey. A copy of the law is available on this web site.

Employers will need to communicate requirements to prospective and some current employees. The forms to complete the process are available on this web site or by calling the MVC CDL Unit at 609-292-7500 ext 5077. The Limousine Driver Employer Application Form will be completed by the employer and mailed to MVC. The Fingerprint Application Form is completed by the driver and is used to schedule an appointment for fingerprinting.

All applicants must be fingerprinted by MorphoTrak (formerly Sagem Morpho), the State's vendor. A fee of $51.00 is collected by Sagem Morpho, Inc. to cover State Police, FBI and vendor costs. The MVC does not collect a fee for administering this program. At the time of fingerprinting, the applicant for employment will also provide written consent to the performance of a criminal background check. Information on fingerprinting and instructions for completing the fingerprint application are also provided on this web site or by calling the MVC CDL Unit.

About 10 days after fingerprints have been submitted by the applicant, the MVC will receive a background check report. The MVC will review reports and mail each employer a letter of qualification or disqualification within approximately two weeks.
The Motor Vehicle Commission has commenced a live fingerprint scanning initiative to streamline criminal background checks required for employment as a limousine driver. The successful completion of a criminal background check is a legal requirement as a condition for your employment. Therefore, as part of your application and employment process, it is required that all limousine driver applicants schedule an appointment with the state's fingerprint vendor MorphoTrak (formerly Sagem Morpho, Inc.).

To schedule an appointment you need to call the toll-free number 1-877-503-5981 and make an appointment to have your fingerprints scanned at an established site. You may also schedule your appointment via the Internet at MorphoTrak’s website www.bioapplicant.com/nj. ONLY CALL THIS NUMBER OR VISIT THIS WEB SITE IF YOU NEED TO SCHEDULE FINGERPRINTING FOR LIMOUSINE DRIVER EMPLOYMENT. When scheduling your appointment, you will be asked to provide certain personal information including your driver’s license and social security numbers. Please make sure you have this information available when scheduling your appointment. In addition you will be asked to provide the following internal identification numbers.
